Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 4/23/04 has been entered.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 4/23/04 and 8/04/04 are in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Claims 1-13, 20-32, 39, 45 and 48-55 are allowed over the prior art of record and in light of applicants' arguments.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose when a received packet is a start packet that is traveling from a client to a server, altering the start packet to indicate that the start packet should be forwarded to any replica that duplicates the data content of the server; furthermore, when the received packet is an acknowledgement packet that is received first in response to the forwarded start packet, altering the acknowledgement so that it spoofs the server when the acknowledgement originates from the replica and forwarding the

altered acknowledgement to the client and when the received packet is an acknowledgement that is not received first in response to the forwarded start packet, inhibiting the sending of the acknowledgement to the client.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Frantz B. Jean whose telephone number is 571-272-3937. The examiner can normally be reached on 8:30-6:00 M-f.
